SKRCOLLEGE FOR WOMEN,RAJAMAHENDRAVARAM

DEPARTMENT OF CHEMISTRY

2018-19

Orientation programme for degree-first-year students was held On 7th July 2018. The main purpose of orientation session in a college is to bridge the gap between the Lecturers and the students, ensuring a smooth communication.

Dr. A. Vasundhara presented a guest lecture on environmental pollution to first-year BSc students on September 8, 2018.

On October 8, 2018, members of the Chemistry Department conducted a quiz for BSc students.

Student exchange programme is organised with Government degree college (A) Rajamahendravaram from 27th August to 1st September. As part of reforms in higher education policy it is one of the unique activities recommended by University Grants Commission. In this program, the students studying in various programs in two or more colleges will be selectively swapped. The purpose of the activity is to enrich the academic excellence among higher educational institutions to benefit the student community by exposing them to diverse intellectual capabilities and competencies of faculty and also sharing of the infrastructure facilities in the process of learning

On 01/09/2018 K.V.V. Satyanarayana gave a guest Lecture on career guidance- chemistry opportunities.

Arranged a field trip for first-year BSc students to Sarvaraya Sugars in Kesavaram on 20/09/2018.
