HISTORY OF THE COLLEGE

The college was established on 2nd September, 1968 with the joint effort of **Smt. Addepalli Vivekananda Devi**, a great educationalist and dynamic social worker and **Sri Krovvidi Lingaraju**, a freedom fighter of the locality. The college has been named after the wife of **Sri Kandukuri Veeresalingam**, a social reformer and writer of the locality who donated all his lifetime earnings to **Hithakarini Samaj** which owns the college along with a few educational institutions from K.G. to P.G. level, in different fields of education. The college had a humble beginning in thatched huts in hired plot with 27 students and 15 teachers. **Sri P.V. Narasimha Rao**, the then Education Minister of Andhra Pradesh and later Prime Minister of India laid the foundation stone of the college. The college was shifted to the present premises in 1970.

The college was started as a private un-aided college and got the Grant -In-Aid status from Andhra Pradesh State Government in 1973. It has been recognized by the University Grants Commission (UGC) and included under 2(f) and 12(B) list in 1973. Over a period of **54 years** the institution has reached a level comparable to any other good college in the State. The institution is extending yeoman service to a large number of poor rural girls of the Godavari Districts by providing quality higher education at nominal cost.

The vision of the college is depicted in the emblem "Where women are respected, there shrines the God", which is illustrative of the status that should be given to women in the society. The

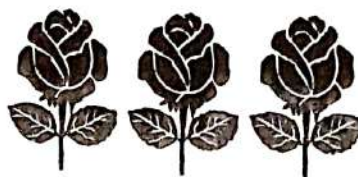

college offers B.A., B.Com., B.Sc., courses (Traditional / Computers and Restructured) and M.Sc., Zoology. It also offers empowerment programmes and value based education to attain this goal.

The College owes much to the First Principal **Miss K.Rukmini** who was here on deputation. She streamlined the administration and worked for the all round development of the college till 1973. When the college was admitted into Grant-In-Aid, **Smt. L.Buchi Sundari** then took charge as principal. Since then, the College has been progressing on all fronts, largely due to the efforts of citizens, well wishers, donors, philanthropists and elite of Rajamahendravaram.

The College was taken over by the Department of Higher Education, Government of Andhra Pradesh on 16th August 2022 as per the G.O.Ms. No.28 dated 10-08-2022 and became SKR Government Degree College (Women). Dr P.Raghava Kumari, M.Sc.,B.Ed.,M.Phil.,PhD is the First Principal of SKR Government Degree College (Women). Since then, the college has been consistently progressing under the guidance of the Principal.

We are indebted to all those who have assisted in the growth of the college and trust that they will continue to give their unstinted support even in the future.

Students are adding many more feathers in the cap of the college by getting University ranks and many other awards.

Continuous Assessment is a critical step in the learning process. It determines whether the learning objectives of the course have been met or not. In the past, only observation by the teacher was the main mode of assessment. But in the process of development of a system, there occurred various types of assessments that can be broadly classified as Formative Assessment and Summative Assessment. The former is continuous and is conducted during the teaching-learning process and the later is to evaluate the student learning at the end of the semester. For Continuous Internal Evaluation/ Assessment our University has adopted the 75+25 Marks External and Internal Examination System. Our University conducts examinations at the end of each semester for both theory and practical sessions and for which Question Papers are prepared by the Controller of Examinations. For the CIA all activities are divided into 4 categories. 1. Assignments 5 Marks 2. Project/Seminar/GD/ Role-plays/Quiz / Presentation 5 Marks 3. Attendance for Clean and Green Programme 5 Marks 4. Testing of Subject knowledge through Mid-term Exams 20+15 Marks Total for 2 Mid Exams 50 CIA carried out in our college keeping in mind the words of Plutarch -"The Correct analogy for the mind is not a vessel that needs filling, but wood that needs igniting". As we were in aided college from (20-21)that time we followed the guidelines of AKNU. We have to implement CIA from 2022-23 onwards as now we are in Govt. Service.

Inter Students who absent themselves for any of the subjects in the all above exams, will have to pay a fine of **Rs. 50/-** each per subject **Degree Students who absent for Mid / Internal Examinations they are not eligible to write the semester end examinations.**
