Feedback Report 2021-2022

For the academic year 2021-2022, feedback on the college functioning including teaching learning process was collected from the students, teachers, parents and alumni in offline mode. For the students, a feedback form was designed with 20 questions on 20 parameters with 5 options namely – Strongly Agree, Agree, Neutral, Strongly disagree and Disagree.

958 students submitted their feedback which was collected by the class mentors. Before collection, the purpose of feedback was explained to the students. If the students could not understand any parameter, the mentors explained the parameter and its importance. With the help of the faculty, the IQAC arranged for the analysis of the collected data; the analysis was tabulated and also presented in a graphical format. For the teachers, alumni and parents, a feedback form was customized with 10 questions covering different areas of the college functioning. The analysis report reveals that:

- Stakeholders expressed their opinion that supports the students to prepare for competitive exams.
- More Cultural activities are to be organized in the college

Action Taken Report on Feedback -2021-2022

The feedback report for the academic year 2021-2022 was placed before the staff council meeting chaired by the principal of the college. The council discussed the report in detail. For all the positive feedback about the teaching learning process, the efforts of the teachers were appreciated. The meeting resolved to take the following measures to improve the overall functioning of the college.

Student Centered Learning (SCL) practices in curriculum delivery and transaction were given much emphasis.

Based on the parents & alumnae feedback, PG coaching is continued in a more structured manner and offered support to the students seeking higher education.

The mentors were specifically directed to provide emotional support to students and be accessible to them even out of the classroom, following the spirit of the Mentor Mentee System (MMS) in place.

BRIDGE COURSE 2021-22

THE ESSENCE OF EDUCATION LIES IN DRAWING OUT THE VERY BEST THAT IS IN YOU

A bridge course is a class or series of classes that help the students transition from +2 to college by providing them with the necessary skills and knowledge about the topics that will be covered in their new courses.

OBJECTIVES:

- The main objective of the course is to bridge the gap between subjects/studies at pre level and the subjects they would be studying in graduation.
- To enrich the students to learn basic concepts in the subjects of BA course.
- To give students confidence and skills to successfully transform to college and new curriculum.
- Interactive and Active Learning by doing have been weaved into the Bridge Course.
- Active Learning with the help of other/peer students.
- To achieve the concept of Assisted Learning.

Standard Operating Procedure

- A Bridge course for newly admitted BA students is conducted every year before commencement of First Semester classes. The syllabus for the BA courses designed in such a way that, equal importance is given to both Economics discipline subjects and personality development.
- Bridge Course helps the students to open up, think creatively and become responsible and independent students. It also helps smooth transition arts course. The sound grasp of the fundamentals of ECONOMICS subject by the students lays the strong foundation for the entire Three/Four Years Programme.

Highlights of the Bridge Course:

MICRO ECONOMIC ANALYSIS:

Smt. CV Ramalakshmi, Faculty, Department of economics explained in detail about the basic economic concepts. She elaborated the concepts with real world examples. She also explained the role of a person as consumer in achieving the economic goals of the life with help of the basic knowledge of economics.

She narrated the live incidents of economic problems of a nation and economy and the role of the governments in providing the economic welfare of the people in a nation.

Madhya Pradesh and Rajasthan, it has generated lower person days than these states.

"The dual muster system also contributed to increase in the expenditure," explains Mr.Buddha.

A total of 4.4 lakh (4,46,571) new jobs cards issued in the financial year 2020-2021 and a total of 7.3 lakh (7,29,121) workers were added. This accounts for 3.44% of all job cards issued since the inception of the scheme in the state.

The highest number of new job cards were issued in Anantapur district (53,844) and Visakhapatnam district (52,062) and the last in Nellore district (15,689).

EMPLOYMENT GENERATION :

This year,26.04 crore persondays were generated, highest in the last three years, and a 30% increase from 20.08 crore in 2019-20." Interestingly,75% of the total persondays were generated in the first four months of the financial year 2021-21,"says Mr.Buddha.

Contrary to the act, which mandates release of payment to the workers within 15 days of their work, the centre seldom release the funds on time and even after payments are processed, many of the transactions get stuck at the bank level either due to problems related to Aadhaar linking to the job card, or account-related issues.

Vizianagaram recorded the lowest percentage of worst performing gram panchayts while Guntur has the highest. "There is scope to further improve the implementation of this scheme, which gives the most deserving sections their right to livelihood," says Mr.Buddha

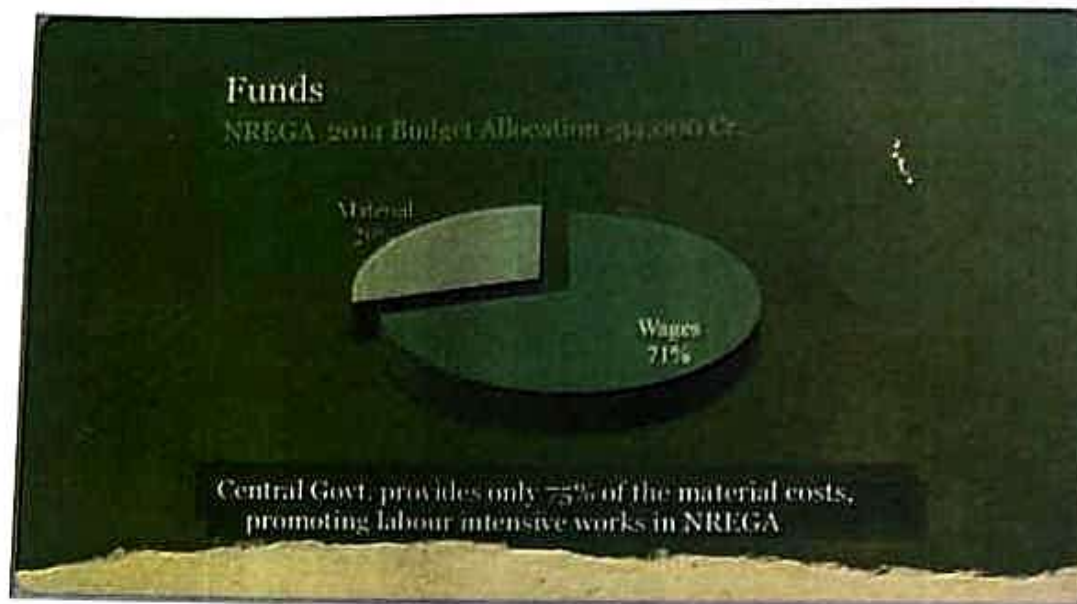

-
- Payment of wages within 15 days of completion of work, failing which worker is entitled to delay compensation of 0.05% / day of wages earned
 - Minimum one-third of the workers should be women
 - Wages to be paid according to the Minimum Wages Act 1948 for agriculture labours in the state.
 - Social Audit to be done by Gram Sabha\

Recent Developments:

- Direct Benefit Transfer : Wages are electronically transferred to worker's bank/post office accounts through National Electronic Fund Management system (NeFMS)
- GeoMGNREGA : Geo-tagging all assets created under MGNREGA

Achievements :

- MGNREGA has been a powerful instrument for empowerment of poor women through its effect on livelihood security and social protection. In FY 2015-16 out of the total employment through MGNREGA, 56% was generated for women.
- Reduced distressed rural to urban migration and also seasonal migration by providing closer to home and decent working conditions.
- He helped the upliftment of SCs and STs through creation of livelihood opportunities. The percentage of scheduled caste workers has consistently been about 20% and scheduled Tribe workers has been about 17%.

districts of India from 1 April 2008. The statute was praised by the government as "the largest and most ambitious social security and public works programme in the world". In 2009 the World Bank had chided the act along with others for hurting development through policy restrictions on internal movement. However in its World Development Report 2014, the World Bank termed it as a "stellar example of rural development". MGNREGA is to be implemented mainly by gram panchayats (GPs). The law stated it provides many safeguards to promote its effective management and implementation. The act explicitly mentions the principles and agencies for implementation, list of allowed works, financing pattern, monitoring and evaluation, and detailed measures to ensure transparency and accountability.

INTRODUCTION

National Rural Employment Guarantee Act, 2005

National Rural Employment Guarantee Act 2005 or **NREGA**, later renamed as the **Mahatma Gandhi National Rural Employment Guarantee Act** or **MGNREGA** in 2009, is an Indian labour law and social security measure that aims to guarantee the 'right to work'. This act was passed in 23 August 2005 under the UPA government of Prime Minister Manmohan Singh following tabling of the bill in parliament by the Minister for Rural Development Raghuvansh Prasad Singh.

It aims to enhance livelihood security in rural areas by providing at least 100 days of wage employment in a financial year to at least one member of every household whose adult members volunteer to do unskilled manual work. Women are guaranteed one third of the jobs made available under the MGNREGA. Another aim of MGNREGA is to create durable assets (such as roads, canals, ponds and wells). Employment is to be provided within 5 km of an applicant's residence, and minimum wages are to be paid. If work is not provided within 15 days of applying, applicants are entitled to an unemployment allowance. That is, if the government fails to provide employment, it has to provide certain unemployment allowances to those people. Thus, employment under MGNREGA is a legal entitlement. Apart from providing economic security and creating rural assets, other things said to promote NREGA are that it can help in protecting the environment, empowering rural women, reducing rural-urban migration and fostering social equity, among others.

The act was first proposed in 1991 by P.V. Narasimha Rao. It was finally accepted in the parliament and commenced implementation in 625 districts of India. Based on this pilot experience, NREGA was scoped up to cover all the

A CRITICAL ANALYSIS OF MGNREGA IN INDIA.

What is MGNREGA?

- The Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) is a employment guarantee act
- It was introduced in 2005 through the National Rural Employment Guarantee Act,2005.
- In 2010,NREGA renamed as MGNREGA

Aim:

- To enhance livelihood security of household in rural ares of india.
- Objectives:
- To provide guaranteed 100 days of wage employment per year to each rural household
- Creation of durable rural assests
- Social inclusion of women,SCs and STs
- Strengthen the Panchayati Raj Institutions

Coverage and Key features

- The Act currently covers all districts with the exception of those that have a 100% urban population.
- Demand driven scheme : Worker to be hired when he demands and not when the Government wants it.
- Gram Panchayat is mandated to provide employment with 15 days of work application, failing which worker is entitled to unemployment allowance

WORK DAYS UNDER MGNREGS 96.24 % PAYMENTS GENERATED WITHIN 15 DAYS IN FY 2020-21

In the current FY 2021-22, 99.47% of households are offered employment against their demand for work under Mahatma Gandhi NREGS

The Ministry along with the States/UTs has been making concerted efforts for improving the timely payment of wages. States/UTs have been advised to generate pay orders in time. This has resulted in considerable improvement in the status of timely generation of pay order and leading to improvement in the actual time taken to credit wages in the workers accounts. Status of the percentage of payment generated within 15 days:

State-wise details of total rejected transactions and transactions pending for regeneration under Mahatma Gandhi NREGS in the financial year 2018-19, 2019-20 and 2020-21 are given at **Annexure**. Regeneration of rejected transactions is the responsibility of the State Governments, for which they have been reminded earlier on multiple occasions.

Mahatma Gandhi National Rural Employment Guarantee Scheme (Mahatma Gandhi NREGS) is a demand driven wage employment programme which provide for the enhancement of livelihood security of the households in rural areas of the country by providing at least one hundred days of guaranteed wage employment in every financial year to every household whose adult members volunteer to do unskilled manual work. In the current FY 2021-22 (as on 08.03.2022), 99.47% of households are offered employment against their demand for work under Mahatma Gandhi NREGS.

Mahatma Gandhi NREG Act is to provide at least 100 days of guaranteed wage employment in a financial year to each household in rural areas of the country whose adult members volunteers to do unskilled manual work. In addition to this, there is a provision for upto additional 50 days of unskilled wage employment in a financial year in drought/natural calamity notified rural areas. As per Section 3 (4) of the Mahatma Gandhi NREG Act, 2005, the State Governments may make provision for providing additional days beyond the period guaranteed under the Act from their own funds.

PROBLEMS OF NREGA

A decade after coming into force, the Mahatma Gandhi National Rural Employment Guarantee Act is suffering from a decline in employment, budget caps, delays in wage payments and rampant violations of workers' entitlements. An examination of the case of Jharkhand points to reasons for this crisis, including the absence of a strong grievance redressal system, weak financial institutions, acute shortage of functionaries and indiscriminate use of technology. However, some initiatives taken by the state government and civil society in the recent past open up new possibilities for improving the programme.

Madhya Pradesh and Rajasthan, it has generated lower person days than these states.

"The dual muster system also contributed to increase in the expenditure," explains Mr.Buddha.

A total of 4.4 lakh (4,46,571) new jobs cards issued in the financial year 2020-2021 and a total of 7.3 lakh (7,29,121) workers were added. This accounts for 3.44% of all job cards issued since the inception of the scheme in the state.

The highest number of new job cards were issued in Anantapur district (53,844) and Visakhapatnam district (52,062) and the last in Nellore district (15,689).

EMPLOYMENT GENERATION :

This year,26.04 crore persondays were generated, highest in the last three years, and a 30% increase from 20.08 crore in 2019-20." Interestingly,75% of the total persondays were generated in the first four months of the financial year 2021-21,"says Mr.Buddha.

Contrary to the act, which mandates release of payment to the workers within 15 days of their work, the centre seldom release the funds on time and even after payments are processed, many of the transactions get stuck at the bank level either due to problems related to Aadhaar linking to the job card,or account-related issues.

Vizianagaram recorded the lowest percentage of worst performing gram panchayts while Guntur has the highest. "There is scope to further improve the implementation of this scheme, which gives the most deserving sections their right to livelihood," says Mr.Buddha

-
- Payment of wages within 15 days of completion of work, failing which worker is entitled to delay compensation of 0.05% / day of wages earned
 - Minimum one-third of the workers should be women
 - Wages to be paid according to the Minimum Wages Act 1948 for agriculture labours in the state.
 - Social Audit to be done by Gram Sabha\

Recent Developments:

- Direct Benefit Transfer : Wages are electronically transferred to worker's bank/post office accounts through National Electronic Fund Management system (NeFMS)
- GeoMGNREGA : Geo-tagging all assets created under MGNREGA

Achievements :

- MGNREGA has been a powerful instrument for empowerment of poor women through its effect on livelihood security and social protection. In FY 2015-16 out of the total employment through MGNREGA, 56% was generated for women.
- Reduced distressed rural to urban migration and also seasonal migration by providing closer to home and decent working conditions.
- He helped the upliftment of SCs and STs through creation of livelihood opportunities. The percentage of scheduled caste workers has consistently been about 20% and scheduled Tribe workers has been about 17%.

districts of India from 1 April 2008. The statute was praised by the government as "the largest and most ambitious social security and public works programme in the world". In 2009 the World Bank had chided the act along with others for hurting development through policy restrictions on internal movement. However in its World Development Report 2014, the World Bank termed it as a "stellar example of rural development". MGNREGA is to be implemented mainly by gram panchayats (GPs). The law stated it provides many safeguards to promote its effective management and implementation. The act explicitly mentions the principles and agencies for implementation, list of allowed works, financing pattern, monitoring and evaluation, and detailed measures to ensure transparency and accountability.

INTRODUCTION

National Rural Employment Guarantee Act, 2005

National Rural Employment Guarantee Act 2005 or **NREGA**, later renamed as the **Mahatma Gandhi National Rural Employment Guarantee Act** or **MGNREGA** in 2009, is an Indian labour law and social security measure that aims to guarantee the 'right to work'. This act was passed in 23 August 2005 under the UPA government of Prime Minister Manmohan Singh following tabling of the bill in parliament by the Minister for Rural Development Raghuvansh Prasad Singh.

It aims to enhance livelihood security in rural areas by providing at least 100 days of wage employment in a financial year to at least one member of every household whose adult members volunteer to do unskilled manual work. Women are guaranteed one third of the jobs made available under the MGNREGA. Another aim of MGNREGA is to create durable assets (such as roads, canals, ponds and wells). Employment is to be provided within 5 km of an applicant's residence, and minimum wages are to be paid. If work is not provided within 15 days of applying, applicants are entitled to an unemployment allowance. That is, if the government fails to provide employment, it has to provide certain unemployment allowances to those people. Thus, employment under MGNREGA is a legal entitlement. Apart from providing economic security and creating rural assets, other things said to promote NREGA are that it can help in protecting the environment, empowering rural women, reducing rural-urban migration and fostering social equity, among others.

The act was first proposed in 1991 by P.V. Narasimha Rao. It was finally accepted in the parliament and commenced implementation in 625 districts of India. Based on this pilot experience, NREGA was scoped up to cover all the

A CRITICAL ANALYSIS OF MGNREGA IN INDIA.

What is MGNREGA?

- The Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) is a employment guarantee act
- It was introduced in 2005 through the National Rural Employment Guarantee Act,2005.
- In 2010,NREGA renamed as MGNREGA

Aim:

- To enhance livelihood security of household in rural ares of india.
- Objectives:
 - To provide guaranteed 100 days of wage employment per year to each rural household
 - Creation of durable rural assests
 - Social inclusion of women,SCs and STs
 - Strengthen the Panchayati Raj Institutions

Coverage and Key features

- The Act currently covers all districts with the exception of those that have a 100% urban population.
- Demand driven scheme : Worker to be hired when he demands and not when the Government wants it.
- Gram Panchayat is mandated to provide employment with 15 days of work application, failing which worker is entitled to unemployment allowance

WORK DAYS UNDER MGNREGS 96.24 % PAYMENTS GENERATED WITHIN 15 DAYS IN FY 2020-21

In the current FY 2021-22, 99.47% of households are offered employment against their demand for work under Mahatma Gandhi NREGS

The Ministry along with the States/UTs has been making concerted efforts for improving the timely payment of wages. States/UTs have been advised to generate pay orders in time. This has resulted in considerable improvement in the status of timely generation of pay order and leading to improvement in the actual time taken to credit wages in the workers accounts. Status of the percentage of payment generated within 15 days:

State-wise details of total rejected transactions and transactions pending for regeneration under Mahatma Gandhi NREGS in the financial year 2018-19, 2019-20 and 2020-21 are given at **Annexure**. Regeneration of rejected transactions is the responsibility of the State Governments, for which they have been reminded earlier on multiple occasions.

Mahatma Gandhi National Rural Employment Guarantee Scheme (Mahatma Gandhi NREGS) is a demand driven wage employment programme which provide for the enhancement of livelihood security of the households in rural areas of the country by providing at least one hundred days of guaranteed wage employment in every financial year to every household whose adult members volunteer to do unskilled manual work. In the current FY 2021-22 (as on 08.03.2022), 99.47% of households are offered employment against their demand for work under Mahatma Gandhi NREGS.

Mahatma Gandhi NREG Act is to provide at least 100 days of guaranteed wage employment in a financial year to each household in rural areas of the country whose adult members volunteers to do unskilled manual work. In addition to this, there is a provision for upto additional 50 days of unskilled wage employment in a financial year in drought/natural calamity notified rural areas. As per Section 3 (4) of the Mahatma Gandhi NREG Act, 2005, the State Governments may make provision for providing additional days beyond the period guaranteed under the Act from their own funds.

PROBLEMS OF NREGA

A decade after coming into force, the Mahatma Gandhi National Rural Employment Guarantee Act is suffering from a decline in employment, budget caps, delays in wage payments and rampant violations of workers' entitlements. An examination of the case of Jharkhand points to reasons for this crisis, including the absence of a strong grievance redressal system, weak financial institutions, acute shortage of functionaries and indiscriminate use of technology. However, some initiatives taken by the state government and civil society in the recent past open up new possibilities for improving the programme.
