Role of Commercial Banks in India

Role of Commercial Banks in India

- **Trade Development:** The commercial banks provide capital, technical assistance and other facilities to businessmen according to their need, which leads to development in trade.
- **Supports to Agriculture Development**
- **Supports to Industrial Development**
- **Capital Formation** (Capital formation means increase in number of production units, technology, plant and machinery)

Role of Commercial Banks in India

- **Development of Foreign Trade:** Letter of credit is issued by the importer's bank to the exporters to ensure the payment. The banks also arrange foreign exchange.
- **Transfer of Money**
- **Supports to more Production** (Agriculture & Industry)
- **Development of Transport** (banks financed the transport sector)

Role of Commercial Banks in India

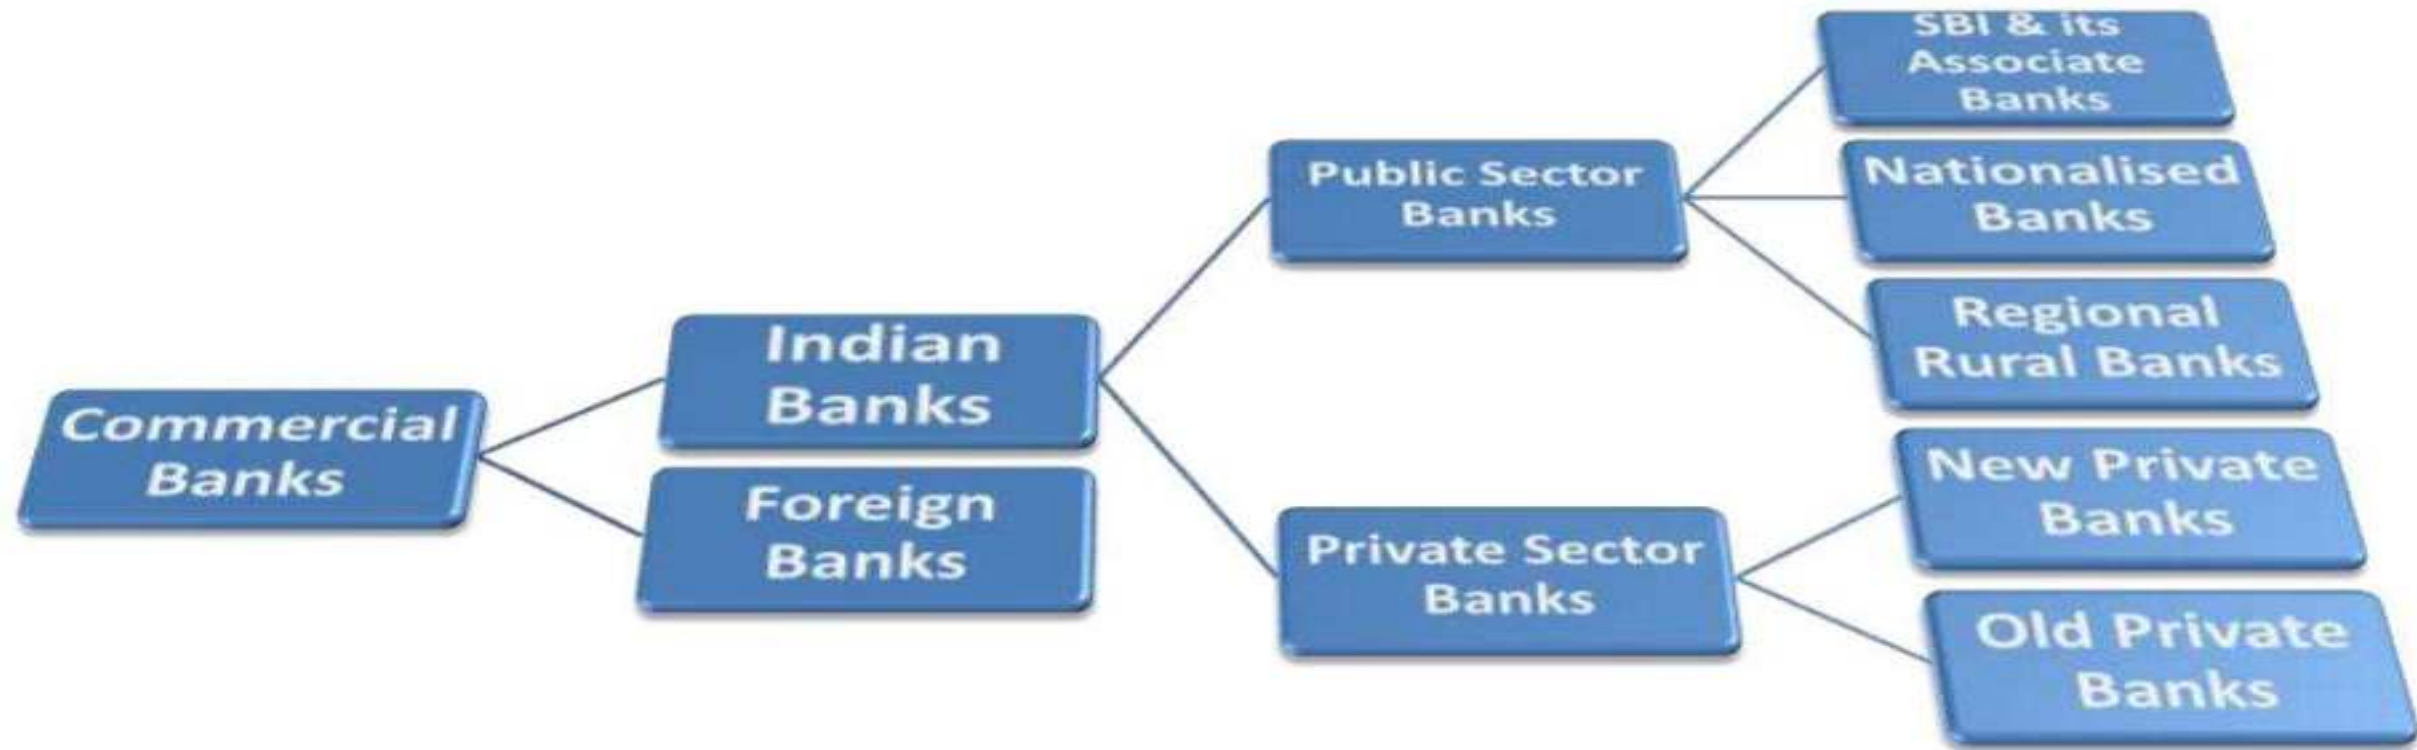

- *Implementation of Monetary Policy*
- *Encouragement to Right Type of Industries*
- *Regional Development*
- *Promote Industrial Development*
- *Fulfillment of Socio-economic Objectives*

Nationalization of Commercial Banks in India, Functions of the Commercial Banks

Nationalization of Banks

- **Nationalization:** The act of taking an industry or assets into the public ownership of a national government or state.
- Nationalization took place in two phases, with a first round in 1969 covering 14 banks followed by another in 1980 covering six banks.

Structure of Indian Commercial Banks

Commercial Banks

- **A commercial bank is owned by stockholders and operated for profit.**
- Its primary functions are to receive, transfer, and lend money to individuals, businesses, and governments.
- Indian banks consist mostly of Scheduled Commercial Banks (SCBs), which includes both Public Sector Banks, and the Private Sector Banks. In Public Sector Banks, the government must retain a 51% stake.

Commercial Banks

- Scheduled Commercial Banks in India are categorized into five different groups according to their ownership and / or nature of operation.
- These bank groups are
 - State Bank of India and its Associates
 - Nationalized Banks
 - Private Sector Banks
 - Foreign Banks and
 - Regional Rural Banks
- In the bank group-wise classification, IDBI Bank Ltd. has been included in Nationalised Banks.

The Role of Commercial Banks in Economic Development

- Accelerating the Rate of Capital Formation
- Provision of Finance and Credit
- Monetisation of Economy (support to rural areas)
- Innovations
- Implementation of Monetary Policy
- Encouragement to Right Type of Industries
- Development of Agriculture
- Regional Development
- Fulfillment of socio-economic objectives

Functions

- Accepting deposits
- Advancing Loans
- Discounting Bills of exchange
- Agency services and
- General services

Accepting Deposits

- ***Demand or Current Account Deposits***

- A depositor can withdraw it in part or in full at any time he/she likes without notice
- It carries no interest
- Cheque facility is available

- ***Fixed Deposits or Time Deposits***

- Fixed deposits for 15days to few years
- Withdrawn at expiry of term
- High rate of interest
- Risk less investment

Accepting Deposits

- ***Saving Bank Deposits***
 - Small saving deposits
 - less rate of interest
 - money can be withdrawn through cheques/ATM/by demanding

Advancing Loans

- This is the most important means of earnings for the banks.
- Giving loans to businessmen.
- But it keeps a fine balance between deposits and loans.
- Banks profitability depends on this as well

Two ways of advancing loans

- By allowing an over draft facility cheques are honoured even if deposits is less facility for businessmen only interest on overdraft amount.
- Loans by creating a deposit
 - Banks give loans to people by charging interest
 - Bank asks for security
 - Simply opens an account in name of needy person and issues a cheque book to transact
 - Loans granted mostly for business

Thank You

Feedback Report 2022-2023

For the academic year 2022-2023, feedback on the college functioning including teaching learning process was collected from the students, teachers, parents and alumni in online mode. For the students, a feedback form was designed with 20 questions on 20 parameters with 5 options namely - Strongly Agree, Agree, Neutral, Strongly disagree and Disagree.

179 responses collected from the students. Before collection, the purpose of feedback was explained to the students. If the students could not understand any parameter, the mentors explained the parameter and its importance. With the help of the faculty, the IQAC arranged for the analysis of the collected data; the analysis was tabulated and also presented in a graphical format. For the teachers, alumni and parents, a feedback form was customized with 10 questions covering different areas of the college functioning. The analysis report reveals that:

- Stakeholders expressed their opinion that supports the students to prepare for competitive exams.
- More Cultural activities are to be organized in the college

Action Taken Report on Feedback -2022-2023

The feedback report for the academic year 2022-2023 was placed before the staff council meeting chaired by the principal of the college. The council discussed the report in detail. For all the positive feedback about the teaching learning process, the efforts of the teachers were appreciated. The meeting resolved to take the following measures to improve the overall functioning of the college.

Student Centered Learning (SCL) practices in curriculum delivery and transaction were given much emphasis.

Based on the parents & alumnae feedback, PG coaching is continued in a more structured manner and offered support to the students seeking higher education.

The mentors were specifically directed to provide emotional support to students and be accessible to them even out of the classroom, following the spirit of the Mentor Mentee System (MMS) in place.

DEPARTMENT OF ECONOMICS

BRIDGE COURSE 2022-23

“THE ESSENCE OF EDUCATION LIES IN DRAWING OUT THE VERY BEST THAT IS IN YOU”

A bridge course is a class or series of classes that help the students transition from +2 to college by providing them with the necessary skills and knowledge about the topics that will be covered in their new courses.

OBJECTIVES:

- The main objective of the course is to bridge the gap between subjects studied at pre level and the subjects they would be studying in graduation.
- To enrich the students to learn basic concepts in the subjects of BA course.
- To give students confidence and skills to successfully transform to college and new curriculum.
- Interactive and Active Learning by doing have been weaved into the Bridge Course.
- Active Learning with the help of other/peer students.
- To achieve the concept of Assisted Learning.

Standard Operating Procedure

- A Bridge course for newly admitted BA students is conducted every year before commencement of First Semester classes. The syllabus for the BA courses designed in such a way that, equal importance is given to both Economics discipline subjects and personality development.
- Bridge Course helps the students to open up, think creatively and become responsible and independent students. It also helps smooth transition arts course. The sound grasp of the fundamentals of ECONOMICS subject by the students lays the strong foundation for the entire Three/Four Years Programme.

Highlights of the Bridge Course:

MICRO ECONOMIC ANALYSIS:

Smt. CV Ramalakshmi, Faculty, Department of economics explained in detail about the basic economic concepts. She elaborated the concepts with real world examples. She also explained the role of a person as consumer in achieving the economic goals of the life with help of the basic knowledge of economics.

She narrated the live incidents of economic problems of a nation and economy and the role of the governments in providing the economic welfare of the people in a nation.

On

EMPOWERING THE WOMEN ENTREPRENEURSHIP IN INDIA

Organized by

DEPARTMENT OF ECONOMICS

28th March, 2023 from 10:00 am to 12:30 pm

About the Webinar

Women entrepreneurs and their increasing presence in India have significantly influenced the social and economic demographics of the country. The participation of women in the labour force has helped millions of families to pull out of poverty and has led to job creation. Women are well known for their leadership skills and hence dominate in new-age industries such as electronic manufacturing, where more than 50% of the employees are women because of their high-precision work and better productivity levels. This attitude towards work and commendable business skills have also emphasised the importance of women in the modern workforce. In this scenario, this webinar focusses on the key role of financial and business development service providers unlocking women entrepreneurs' potential and the role of the government in gender inclusiveness

About the Department

The Department of Economics came into existence with the inception of the college in the Year 1968. B.A. Course was started with the combination of group subjects i.e History, Economics, politics, English etc. The department of economics has started its academic journey with the efficient teaching staff and involved actively in the various national level associations right from the beginning. With the inspiration from the superannuated staff the department members actively organising webinars, guest lectures, promoting student projects and surveys to have a practical knowledge of economic science.
