## **Staff council Register**

### **2022-23**

The Staff Council that represents the interests of all staff members to the administration. The Council meets regularly to discuss issues and concerns raised by staff members, and to develop recommendations for improvement.

#### **Key Accomplishments**

In the past year, the Staff Council has accomplished a number of important goals, including:

- Working with the administration to develop new policies and procedures to improve the work environment for staff members.
- Providing support and resources to staff members who are experiencing difficulties.
- Advocating for staff members at all levels of the organization.

#### **Upcoming Priorities**

In the coming year, the Staff Council will focus on the following priorities:

- Developing new programs and initiatives to support the professional development of staff members.
- Advocating for staff members in the areas of diversity, equity, and inclusion.
- Working to create a more inclusive and welcoming work environment for all staff members.

The Staff Council is committed to representing the interests of all staff members and to making the organization a better place to work. We encourage all staff members to get involved in the Council and to share their ideas and suggestions with us.

In addition to the above, the Staff Council may also be involved in the following activities:

- Organizing social and networking events for staff members.
- Providing feedback to the administration on policies and procedures that affect staff members.
- Representing staff members on committees.
- Working with the administration to resolve grievances and disputes.

The Staff Council is an important part of any organization, and it plays a vital role in ensuring that the voices of staff members are heard.
