DEPARTMENT OF ZOOLOGY

FIELD VISIT (2022-2023)

BRIEF REPORT

Date:-17-12-2022

A Study field trip was organised by the Department of Zoology, SKR College for Women, Rajamahendravaram with II B.Sc.CBZ (E.M) &M.Sc students of this college to visit “**NATURE STUDY CENTER, CORINGA MARINE MUSEUM**” at Diwancheruvu, Rajamahendravaram on 17-12-2022. Nearly 65 students of this college were participated in the field visit. All the students were actively participated in the field trip and visited the Nature study centre, Coringa marine museum and observe Bio diversity of animals, different types of species and medicinal plants. All the students write field notes what they are observed in the museum and responded positively and expressed their feelings on various aspects. The purpose of the trip is usually observation for education, non-experimental research or to provide students with experiences outside their everyday activities, such as going camping with teachers and their classmates. The aim of this research is to observe the subject in its natural state and possibly collect samples.
