

SKR COLLEGE FOR WOMEN, RAJAMAHENDRAVARAM

ALUMNI ASSOCIATION

ANNUAL REPORT

2021-22

It's an honour to present the annual report of the Alumni association for the year 2021-2022. The Alumni takes pride that in its journey of 52 years, it has progressed significantly in the right direction under the able leaderships and by virtue of systematic and coordinated efforts of all the alumni. In spite of unprecedented challenges posed by the covid pandemic the following are the remarkable contributions of the alumni for the year 2021-2022:

The Alumni members meet annually on December 11th to discuss the modalities and to reinforce the bond between the alumni and institution.

On 26-11-2021 an endowment lecture in memory of Late P.L.N. Prabhavathi was conducted on Communication skills by Dr. Hymavathi. A total of 82 students were actively participated in this lecture.

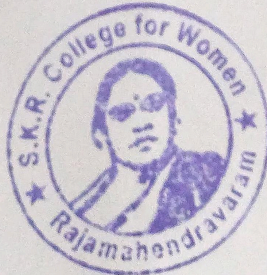

Under the Skill development programme the Alumni conducted 40 days basic training programme on Tailoring, Maggam and Embroidery from 29-11-2021 to 25-1-2022.

Midday meal programme was successfully commenced from 1-12-2021 to provide food for the students with the help of ISKON.

Keeping in view of health and hygiene the Alumni provided sanitary pads to the students and sanitary pad incineration for the destruction of used sanitary pads.

I extend my sincere gratitude to the Principal Dr.P.Raghava Kumari and alumni members for their cooperation and relentless services.
