REPORT

The Department of English organized a Capacity Building Lecture on 14th April 2023. The Capacity Building Lecture on Employability Skills was delivered by the distinguished speaker, in charge of the Department of English, Government Arts College (A) was a grand success. The Lecture was very enlightening, innovative, informative and interactive. The Department of English aimed to enhance students' employability skills, including communication, teamwork, and problem-solving. The program received positive feedback from students across various disciplines, and the results were a valuable addition. It provided students with the necessary tools to enhance their employability and career prospects. The combination of informative sessions, interactive workshops, and networking opportunities made this program a valuable addition to the college's curriculum.
