ACTIVITY -1

The Women Empowerment Cell organized a Women's Health and Medical Checkup Camp on November 16, 2022, as part of our ongoing commitment to the well-being and empowerment of women in our community. The event aimed to provide comprehensive medical checkup services and health awareness to our members. The Women's Health and Medical Checkup Camp on November 16, 2022, was a significant step towards promoting women's health and empowerment. It provided women in our community with access to crucial medical services and information that is essential for their well-being. We believe that knowledge and awareness are key to empowerment, and this event contributed to that goal.

Subject: International Women's Day Celebration

As we approach International Women's Day on March 8, 2023, the Women Empowerment Cell of our Organization would like to invite all of you to join us in celebrating this significant day dedicated to the empowerment and recognition of women around the world. International Women's Day is a global occasion to acknowledge the achievements of women in various fields, highlight the challenges they continue to face, and promote gender equality and women's rights. It is an opportunity for us to reflect on the progress made and the work that still needs to be done. In light of this, the Women Empowerment Cell has organized a series of events and activities for the day to foster awareness, unity, and empowerment. Here is the schedule for our International Women's Day celebration:

Let us come together to celebrate the remarkable contributions of women and reaffirm our commitment to promoting gender equality within our organization and beyond. We encourage everyone, regardless of gender, to participate and show your support.
