About the College
Smt.Kambhant Rajesabeswari Government Degree College (W) one of the highest reputed leading centre of excellence in Higher Education was established on 2nd September 1968, in the name and memory of Smt. Kambhant Rajesabeswari the ideal wife of Sri Kandakuri Venkatarangam Pantulu. The College is under the control of Government of Andhra Pradesh (G.O.M.S.No.28) from 10-8-2022 onwards.
The College was accredited by NAAC at grade B+ in its second cycle and secured All India 70th rank and 9th rank in AP run autonomous colleges ranking survey conducted by Educational World Organization.
The college is committed for the upliftment and overall development of under privileged girls residing in and around Rajamahendravaram with a noble Vision and Mission of spreading the light of knowledge.
Currently the college offers a wide range of undergraduate and postgraduate programs in various disciplines in it's lush green campus.

About the Department
The Department of Zoology consists of highly qualified teaching staff, well equipped Laboratories and a library with a rich collection of specimens. The faculty members are active in research work and have National and International Publications. The department has organized many seminars, workshops, projects works and training programs in population and process Basic Sciences among students and teachers.

About the Webinar
Aquaculture is one of the most efficient and sustainable method for farming aquatic organisms. The exponential population growth and Rapid urbanization increased the demand for food, globally. Aquaculture plays a significant role to meet fish demand and economic well-being. In this connection, the webinar on Emerging Trends in Aquaculture will serve as an ideal platform for the students, researchers and faculty to explore new perspectives in aquaculture.

Report on Seminar

Aquaculture is one of the most efficient and sustainable method for farming aquatic organisms. The exponential population growth and Rapid urbanization increased the demand for food, globally. Aquaculture plays a significant role to meet fish demand and economic well being. In this connection, One day National webinar was organized with the support of Dr.P.Raghava Kumari, Principal, SKRGDC (W), Rajamahendravaram on 23-03-2023. The webinar was commenced with the Opening remarks and Key note address on Emerging trends on Aquaculture by Dr.P.Raghava Kumari, SKR Government Degree college (Women).

1. Prof.U.Shameem, Department of Zoology, Andhra University, delivered informative lecture on the Parasitic and Microbial Diseases in Aquaculture System. In this plenary talk emphasis was given to the identification of disease and it's Control which ultimately increases the economic status of the aquaculture farmers.

2. Mr.Rajdeep Mukherjee, Policy Analyst, Bay of Bengal Programme, Inter – Governmental Organization at Chennai, explained Sustainable management of Aquatic Resources –Economic Perspectives and focused on various policies provided by the Government of India for the development of aquaculture.

3. Dr.Ch.Manjulatha, Lecturer in Zoology, Nachuri Degree Mahavidyalayam, Khuda, Odisha, explained the New Advancements in Mari culture for the sustainable aquaculture.

We thank Commissioner of Collegiate Education Dr.Pola Bhaskar, Principal Dr.P.RaghavaKumari, HOD, faculty members, participants of Various Departments and Colleges and other officials for their active support for making the programme successful.

About 398 participants –academicians, Students, research scholars were participated in this National Webinar.

BRIEF REPORT ON WEBINAR

The Department of Chemistry organised a webinar
Topic- Discovery of Medicines” on **27th March 2023 at 10:00 A.M.**, through
the **Zoom** platform.

College Principal Dr.P. Raghava Kumari started with opening remarks and explained the essence of the webinar.

1) Dr Paul Douglas Sanasi, Associate Professor, AU College of Engineering(A), Andhra University has delivered Key note address on the topic ,the importance of the drug synthesis, analysis of impurities and identification of source of impurities at lower concentrations during the metabolism.

2) Dr Srinivasa Rao Karra, Director of Chemistry, Avilar Therapeutics, Massachusetts, USA. He explained about the discovery of medicines, causes for diseases and functions of medicines to control the diseases.

3) Dr B .Satyanarayana Assistant Professor, Department of Chemistry, MGM PG College, Itarsi, Madhya Pradesh explained the history and discovery of medicine and drug delivery systems.

We received good response from the audience and they gave very good feedback. We thank Commissioner of Collegiate Education Dr Pola Bhaskar, Principal Dr P Raghava Kumari , HODs ,faculty members, participants and other officials for their active support for making the program very successful.

In this webinar from all over India 329 teachers, students, academicians and researchers participated actively.

BRIEF REPORT ON WEBINAR

Department of Commerce

**Organized one day National Webinar on IPR PROGRAMME UNDER
Intellectual Property Awareness Mission [NIPAM] in association
with Intellectual Properties Office Chennai
on 28th April 2023.**

Principal Dr.Raghava Kumari garu started with opening remarks and explained the need of Intellectual Property Rights creations of the mind related to designs, inventions and symbols.

Resource Person K.Veera Raghavulu shared his magnificent knowledge in Intellectual Property Laws and spanned across the different disciplines related to IPR and also analyse about patentability criteria and trademarks that differentiate one product or service from another. He elucidated why IP protect is needed to investors in increasing margins, using patents strategically that can generate revenue streams.

We received an enthusiastic and good response from student's academicians, scholars from various institutions.

We thank Commissioner of Collegiate Education Dr.Pola Bhaskar, Principal Dr.Raghava Kumari, HOD'S AND Faculty Members who gave their support and helps us to make this webinar great success.

We received good response from the audience and they gave very good feedback.

In this National Webinar from all over India 754 teachers, students, academicians and researchers were participated actively.

One Day International Webinar

On

**EMPOWERING THE WOMEN
ENTREPRENEURSHIP IN INDIA**

Organized by

DEPARTMENT OF ECONOMICS

28th March, 2023 from 10:00 am to 12:30 pm

About the Webinar

Women entrepreneurs and their increasing presence in India have significantly influenced the social and economic demographics of the country. The participation of women in the labour force has helped millions of families to pull out of poverty and has led to job creation. Women are well known for their leadership skills and hence dominate in new-age industries such as electronic manufacturing, where more than 50% of the employees are women because of their high precision work and better productivity levels. This attitude towards work and commendable business skills have also emphasised the importance of women in the modern workforce. In this scenario, this webinar focusses on the key role of financial and business development service providers unlocking women entrepreneurs' potential and the role of the government in gender inclusiveness.

About the Department

The Department of Economics came into existence with the inception of the college in the Year 1968. B.A. Course was started with the combination of group subjects i.e History, Economics, politics, English etc. The department of economics has started its academic journey with the efficient teaching staff and involved actively in the various national level associations right from the beginning. With the inspiration from the superannuated staff the department members actively organising webinars, guest lectures, promoting student projects and surveys to have a practical knowledge of economic science.

SKR COLLEGE FOR WOMEN, RAJAHMUNDRY
Department of Chemistry
Report on Work Shop
Qualitative Techniques for Micro Analysis
Date-05/03/2022

The rising cost of chemicals and decreased flow of funds are causing great concerns to the chemistry teachers. A tug - of - war had also been going on in recent years, to balance the budget of running practical courses and the standards of experiments to be carried out by the students. Since the economy is always the winner, the number of experiments has been the losers. A group of scientists from University of Pune and Fergusson College, Pune are striving hard to maintain the standards of experiments at a friendly budget i.e., by adopting preparations on a micro scale and carrying out reactions in capillaries / tiles.

Their attempts serve many purposes.

- (i). Cuts down the cost of chemicals.
- (ii). Experiments have become environment friendly.
- (iii). Less time consuming
- (iv). Less hazardous to the teachers, students and lab assistants.

In this connection, a one day workshop is being organized in our College with the support of **Dr.D.Suneetha**, Lecturer in Chemistry, Govt. (Autonomous) college, Rajahmundry, **Dr.T.Sreevarm**, Lecturer in Chemistry, Govt. (Autonomous) college, Rajahmundry and **Dr.P.Trinadha Raja**, Junior Lecturer in Chemistry, Govt. Jr. college, Korukonda as the resource persons. All the students are very much impressed with the micro management technique and acknowledge their feelings positively. In our college we adopted microscale experiment methods.

SKR DEGREE COLLEGE FOR WOMEN , RAJAMAHENDRAVARAM
DEPARTMENT OF HINDI
A BRIEF REPORT OF THE NATIONAL ONLINE HINDI WORKSHOP

It is impossible for India to progress without Hindi. It is spoken of the population of 62.22% of mother tongue clustered under it as a language. It is used as a second language by 21.60% and as a third language by 14%, totalling to 97.98% of the entire population of India. Hindi crosses the magic figure of the definition of majority, a language with more than 95% of the population of India ,in the 2011 Census.

Hindi is one of the official language of communication in Central Government of India. India's growth seems unstoppable and shows no signs of slowing down . Companies that eye operational and sales expansion in the South Asia region are mostly recruiting people who are familiar about Indian culture and who cloud articulately and fluently speak and write Hindi. Learning Hindi will help You fully embrace the culture of Hindi with exotic poetry , literature, wisdom, belief system and philosophy.

Feeling the importance of Hindi Language social as well as economical point of view on the occasion of National Hindi Day SKR College for Women, Rajamahendravaram, Visakha Government Degree College for Women , Visakhapatnam, SVD Government Degree College for Women, Nidadavole, Government Degree College , Pakala, Jointly organized Ten Days "National Hindi Online Workshop from 14-09-2020 to 22-09-2020 in association with the DN News , New Delhi. The Workshop was inaugurated by speeches of four college Principals Dr.D.Padmavathi, Dr.S.Shobharani , T.K.Veswesvara Rao and Dr.A.MohiddenBhasha.

In their speeches they said that this type of workshop will be very fruitful to the students, and appreciated Hindi Department. Chief guest of D.N. Srivastava, Founder chairperson of Tejasvi Astitva Foundation, Journalist, New Delhi, in his inaugural speech mentioned that India is a multilingual country yet Hindi language has its importance in its place. Students should have an understanding in this language. Dr. Sonia, writer and Ayurvedic Medical Officer, Govt. of Haryana was impressed by the presence of the students in the workshop she said that the students self-motivated and definitely the workshop will bring the good result. Another speaker Dr. Vasundhara Upadhyay, Asst. Professor, Department Of Hindi, Pithorgarh, Uttarakand, she said that by learning aspirants could get a job. She also said that without giving Indian National language India couldn't be prosperous.

In that 10 days' workshop eminent scholars taught our students very efficiently Participants learned a lot. The workshop ended by distributing certificates to the participants.

Report on One Day International e-Conference

**S.K.R.COLLEGE FOR WOMEN, RAJAHMUNDRY & S.V.D.GOV.T.DEGREE COLLEGE
FOR WOMEN, NIDADAVOLE**

Jointly organized **One Day International e-Conference On Small Molecule Chemistry: Therapeutic And Optoelectronic Applications** on 23rd January, 2021.

RESOURCE PERSONS:

1.DR. SUDHAKER REDDY SARIPALLY, Australian Center for Advanced Photovoltaics (ACAP), Research Fellow at Monash University, Melbourne, Victoria, Australia.

2.DR. MADHU KIRAN SUNDARANEEDI, Senior Research Scientist, Pharma Research 1 Injectables, Lupin Limited, Pune, India.

3.DR. ANIL GORLE, RESEARCH SCIENTIST, Imperial College, London, United Kingdom.

Recipient of **prestigious Marie Curie fellowship award** from European Commission,

All the speakers focused on synthesis of drugs mainly on rational design and synthesis of new organic small molecules for high-performance optoelectronic applications such as OLEDs, organic and perovskite solar cells, new generation of acetyl cholinesterase inhibitors as drug candidates against schistosomiasis and analytical and spectroscopic techniques. About 561 faculty and students participated online and got benefitted with the abundant knowledge presented by the resource persons. e-certificates are provided online for all the participants.

Sir,

Very pleased to invite you for collaboration to jointly organize **One Day National Webinar** on “**NANOTECHNOLOGY FUNDAMENTALS TO NEXT GENERATION DEVICES**” on 24th December, 2020. In fact, it is our immense pleasure to make you to be a part of it. For further information please contact with Dr M.Sunitha, H.O.D, Department of Chemistry, S.K.R. Degree College (W), Rajamahendravaram.

Thanking You Sir,

Yours faithfully,

Jointly organized one day National Webinar on **NANOTECHNOLOGY:
FUNDAMENTALS TO NEXT GENERATION DEVICES.**

Resource Persons:

- 1. Dr.M.H.S.S.R.Krishna**, Scientist – D, Centre for Nano and SoftMatter Sciences, Bangaluru
- 2. Dr. Veera Bhadrarao Kaliginedi**, Assistant Professor, Department of Inorganic and Physical Chemistry (IPC), I I Sc, Bangaluru,
- 3. Dr.K.Durga Mallikarjuna Rao**, Faculty Fellow, School of Applied and Interdisciplinary Sciences, Indian Association for the cultivation of Science, Kolkata.
- 4. Dr.Arjun Kumar Chittoory**, Associate Scientist, ITC Limited, Life Sciences & Technology centre, Bangaluru were the resource persons.They delivered lectures on importance of Nano Technology and impact of nano science on next generation.

More than 200 faculty and students from various colleges attended the webinar, interacted with the resource persons and expressed their views through feedback. Online e-certificates provided to all the participants

**REGIONAL LEVEL SEMINAR
ON
RECENT ADVANCEMENTS IN ANTI-CANCER TREATMENT [RAAT]
REPORT**

Cancer is a leading cause of death worldwide. Studies estimated that 8.1 million people in Asia will die of cancer by 2020. The Medical Certification of Cause of Death, 2018 reported cancer as the fifth leading cause of death amounting to 5.7% of all deaths in India. The most common cancers are breast, lung, colon, rectum and prostate cancers.

Cancer is the uncontrolled growth of abnormal cells in the body. Cancer develops when the body's normal control mechanism stops working. Old cells do not die and instead new abnormal cells grow out of control. These extra cells may form a mass of tissue, called a tumour. Treatment options depend on our general health, the type of cancer and its stage. The goal of treatment is to kill as many cancerous cells while reducing damage to normal cells nearby. Advances in technology make this possible.

In this connection, Regional Level Seminar- "Recent Advancements in Anti-cancer Treatment"- [RAAT] was organised by the Department of Zoology with the support of Sri Ch.Ram Mohan Rao, Asst-Commissioner & Correspondent, Hithakarini Samajam, Rajamahendravaram, Dr. D. Padmavathy Principal, S.K.R College for Women, Rajamahendravaram on 19-12-2019.

The eminent resource persons Prof.U.Shameem Chairman, BOS Department of Zoology, Andhra University, Vishakapatnam, Dr. Viswanath Patnala Surgical Oncologist, Chandrakala Super Speciality Hosptial, Danavaipeta, Rajamahendravaram, and Dr.Y.Pradeep Sukumar General physician & Diabetologist Vasavi Sri Nursing & Family Health Care Center Rajamahendravaram. created awareness on cancer regarding early self diagnosis of cancer[Breast cancer],recent advances in cancer diagnosis and changing trends in cancer therapy.

This regional level seminar is an unique platform for the academicians and students to know the emerging challenges in cancer therapy and noval therapeutic approaches.

REPORT

Skill Development

Regional Workshop Conducted By Department of Chemistry
S.K.R.College For Women, Rajamahendravaram
on 12.12.2019

As the concept new to the students and staff, it is felt necessary to refresh the subject and also to familiarize the practical work. Hence a Workshop and hands on training has been conducted.

The program started at 10:00 am on 12/12/2019 in the Pandiri Veranna Meeting hall in the college campus. Inaugural session started with the opening remarks by Smt. A.Rajeswari, Principal (Retd.) V. S.R. & N.V.R College, Tenali.

The first technical session was started at 11 am. by Dr.S. Paul Douglas Head & Associate Professor, Dept. of Engineering Chemistry Andhra University, Waltair. He discussed about development of student skills in a chemistry curriculum.

The second session started after the lunch break at 2 pm by Dr. A. Vasundhara Reader in Chemistry & Principal (Retd.) S.K.R. College for women, Rajamahendravaram, explained how to prepare house hold chemicals (Washing Powder, Cleaning Powder, Phenoil, Balm, Vaseline, Soaps).

Total 207 participants were benefited by the work shop. In the Valedictory function students were given certificate of Participation. A positive feedback was given by the students on the conduct of workshop. The workshop came to an end with the vote of thanks proposed by U. Meena Kumari.

BRIEF REPORT ON WORKSHOP

The Department of Commerce organized a One Day workshop Topic :
“Workshop For Aspiring Women Entrepreneurs “On 29th November, 2018

College Principal Dr. N.V.N. Ratna Kumari started with opening remarks and explained the role of Women Entrepreneurs in present society.

1) Smt. K. Rama Devi, President , Association of Lady Entrepreneurs of India , Hyderabad has delivered

Key note address on the topic, the importance of Women Entrepreneurs, The challenges faced by Women Entrepreneurs in different perspectives, insights, ideas to the business, and can also provide innovative solutions to existing problems in various industries.

2) Dr. Uttama Durga , Associate Professor & HOD of Commerce and Management Studies, St Theresa’s Autonomous College for Women , Eluru. Explained Entrepreneur is a catalytic agent of change. It is also instrumental in sustaining the process of economic development and women entrepreneurs may support other women living in poverty. This will help in reducing poverty and removing barriers.

3) Sri. KRM Mani Kumar, Director and Sri .K. Mahesh, Coordinator of ABRSETI, Rajamahendravaram enlightened the participants about the various techniques of Entrepreneurial Skills Development in the most inspiring Way.

The workshop proved as most beneficial to the Participants and Stalls on Skill Development were also organized by a Smt.Dega Lakshmi from West Godavari District.
