**Feedback Report 2022-2023**

For the academic year 2022-2023, feedback on the college functioning including teaching learning process was collected from the students, teachers, parents, alumni and employer in online and offline mode. For the students, a feedback form was designed with 20 questions on 20 parameters with 5 options namely – Strongly Agree, Agree, Neutral, Strongly disagree and Disagree. For Employer feedback form was designed with 10 parameters with 2 options namely – Satisfied and need to be improve. For the teachers, alumni and parents, a feedback form was customized with 10 questions covering different areas of the college functioning.

675 students submitted their feedback which was collected by the class mentors. Before collection, the purpose of feedback was explained to the students. If the students could not understand any parameter, the mentors explained the parameter and its importance. With the help of the faculty, the IQAC arranged for the analysis of the collected data; the analysis was tabulated and also presented in a graphical format. The analysis report reveals that:

- Stakeholders expressed their opinion that to conduct More Cultural activities have to be organized in the college
- To provide much support the students to prepare for competitive exams.

**Action Taken Report on Feedback -2022-2023**

The feedback report for the academic year 2022-2023 was placed before the staff council meeting chaired by the principal of the college. The council discussed the report in detail. For all the positive feedback about the teaching learning process, the efforts of the teachers were appreciated. The meeting resolved to take the following measures to improve the overall functioning of the college.

Student Centered Learning (SCL) practices in curriculum delivery and transaction were given much emphasis.

Based on the feedback analysis, try to organize more cultural activities in the college. The mentors were specifically directed to provide emotional support to students and be accessible to them even out of the classroom, following the spirit of the Mentor Mentee System (MMS) in place.

### **Feedback Report 2021-2022**

For the academic year 2021-2022, feedback on the college functioning including teaching learning process was collected from the students, teachers, parents, Employer and alumni in offline mode. For the students, a feedback form was designed with 20 questions on 20 parameters with 5 options namely – Strongly Agree, Agree, Neutral, Strongly disagree and Disagree.

958 students submitted their feedback which was collected by the class mentors. Before collection, the purpose of feedback was explained to the students. If the students could not understand any parameter, the mentors explained the parameter and its importance. With the help of the faculty, the IQAC arranged for the analysis of the collected data; the analysis was tabulated and also presented in a graphical format. For Employer feedback form was designed with 10 parameters with 2 options namely – Satisfied and need to be improve. For the teachers, alumni and parents, a feedback form was customized with 10 questions covering different areas of the college functioning. The analysis report reveals that:

- Stakeholders expressed their opinion that supports the students to prepare for competitive exams.
- More Cultural activities have to be organized in the college

**Feedback Report 2020-2021**

For the academic year 2020-2021, feedback on the college functioning including teaching learning process was collected from the student, teacher, employer, parent and alumni in offline mode. For the students, a feedback form was designed with 20 questions on 20 parameters with 5 options namely – Strongly Agree, Agree, Neutral, Strongly disagree and Disagree. For the teacher, alumni and parent, a feedback form was customized with 10 questions covering different areas of the college functioning. For Employer feedback form was designed with 10 parameters with 2 options namely – Satisfied and need to be improve.

907 students submitted their feedback which was collected by the class mentors. Before collection, the purpose of feedback was explained to the students. If the students could not understand any parameter, the mentors explained the parameter and its importance. With the help of the faculty, the IQAC arranged for the analysis of the collected data; the analysis was tabulated and also presented in a graphical format. The analysis report reveals that:

- Stakeholders expressed their opinion to take more ICT classes to the students.
- Placement activities have to be improved.

**Action Taken Report on Feedback -2020-21**

The feedback report for the academic year 2020-2021 was placed before the staff council meeting chaired by the principal of the college. The council discussed the report in detail. For all the positive feedback about the teaching learning process, the efforts of the teachers were appreciated. The meeting resolved to take the following measures to improve the overall functioning of the college.

Based on the feedback analysis, need to take more ICT classes for the teaching and offered support to the students seeking higher education.

Student Centered Learning (SCL) practices in curriculum delivery and transaction were given much emphasis.

The mentors were specifically directed to provide emotional support to students and be accessible to them even out of the classroom, following the spirit of the Mentor Mentee System (MMS) in place.
