DESCRIPTION IN BRIEF:

- Stress it's a six-letter word that many of us dread. Whether it's a tense interaction with a boss or pressure from friends and family, we all face stressful situations from time to time.
- Stress affects us in lots of ways, both physically and emotionally, and in varying intensities.
- Research has shown that stress can sometimes be positive.
- It makes us more alert and helps us perform better in certain situations. However, stress has only been found to be beneficial if it is short-lived.
- Excessive or prolonged stress can lead to illnesses such as heart disease and mental health problems such as anxiety and depression.
- For some of us, these events happen sporadically. For others, daily stress is a regular part of life.
- Stress has the ability to negatively impact our lives. It can cause physical conditions, such as headaches, digestive issues, and sleep disturbances.
- It can also cause psychological and emotional strains, including confusion, anxiety, and depression.
- There's a distinction between a stressor and actual stress.
- A stressor can be a person, place, or situation that's causing you stress. Stress is the actual response to one or a combination of those stressors.
- There are any number of situations that can cause stress.
- some of the more common stressors include:
 - relationship conflicts at home
 - new or increasing work responsibilities
 - increasing demands
 - financial strain
 - loss of a loved one
 - health problems
 - moving to a new location
 - exposure to one or more traumatic incidents, such as a car accident or a violent crime
- Knowing how to spot the signs of stress is the first step in developing ways to manage its adverse effects.

Aim:

The main aim of this guest lecture is to help the students for better deal with stress and difficulty, also called adversity, in their life.

Objectives:

- A guest lecture gives students a better opportunity to learn about an explicit topic in a way that gets them involved in the class and actively join in a more convenient way of teaching.
- Managing stress can help to lead a more balanced, healthier life.
- Improve Mental Well-Being.
- Reducing symptoms of anxiety and depression, helping you feel more balanced and positive.
- To maintain a balanced life, with time for work, relationships, relaxation, and fun.

OUTCOMES:

The Guest Lecture on Psychological Aspects and Stress Management delivered by Dr. T. Jayaprada, Retired Reader in Telugu and Psychiatrist, Manasa Hospital proved to be highly insightful for the college community. She adeptly delved into the intricate facets of the human mind, shedding light on the psychological factors contributing to stress. The lecture skillfully navigated through practical strategies for stress mitigation, offering students valuable tools to cope with academic and personal pressures. Nearly 100 students attended the programme and gained a deeper understanding of mental health, learning to recognize signs of stress and employ resilience-building techniques. The session fostered a positive dialogue around mental well-being, contributing significantly to a healthier campus environment.

Subject: Guest Lecture on Netiquette

Dear Students,

We are delighted to inform you that the English Department will be hosting a guest lecture on the topic of "Netiquette" on November 14, 2022. The lecture will be delivered by Smt. M. Deepika Rani, a lecturer in Communication and Soft Skills at Government Degree College, Ravulapalem.

Smt. Deepika Rani is an experienced and knowledgeable speaker with a passion for promoting respectful and responsible online behavior. She has conducted numerous workshops and seminars on the subject of netiquette, and her expertise will be invaluable to you as you navigate the ever-expanding digital world.

Netiquette, short for "network etiquette," refers to the rules and etiquette for online interactions. It encompasses a wide range of practices, from using appropriate language and avoiding offensive or discriminatory content to respecting others' privacy and maintaining a positive and constructive online environment.

The lecture will be held in Digital Lab at 11.AM. All degree students are welcome to attend.

Yours faithfully,

REPORT

Date: 02-12-2022

Report on ICT Classes: "Cyber Security: Tips for Online Safety"

On November 2, 2022, the Department of Computer Science conducted a series of Information and Communication Technology (ICT) classes addressing the critical topic of "Cyber Security: Tips for Online Safety." The sessions were expertly led by Ms. N. Mounica Mahad, a distinguished Lecturer in Computer Science. The primary objective of the ICT classes was to equip college students with essential knowledge and practical tips for enhancing their online safety in an increasingly interconnected world. N. Mounica Mahad aimed to raise awareness about common cyber threats and provide students with strategies to protect themselves and their personal information.

The classes were structured to cover key aspects of "Cyber Security: Tips for Online Safety":

1. Overview of Cyber Security:
 - Introduction to the importance of cyber security
 - Understanding the evolving landscape of online threats
- 2. Common Online Threats and Risks:
 - Exploration of prevalent cyber threats (e.g., phishing, malware, identity theft)
 - Discussion on the potential consequences of online vulnerabilities
3. Best Practices for Online Safety:
 - Guidelines for creating strong and secure passwords
 - Tips for recognizing and avoiding phishing attempts
4. Practical Tips for Securing Personal Information:
 - Insights into safeguarding personal data on social media and other online platforms
 - Recommendations for secure online transactions and communications

REPORT

I am writing to provide a comprehensive report on the workshop conducted by Mr. V. Vidya Sagar, under the supervision of Ms. G. Anitha Rani and Ms. N. Mounica Mahad, on the topic of "New Technologies." The workshop was organized for the benefit of the third-year students pursuing BSC MPCS/MSCS at our institution. This report highlights the key aspects of the workshop, its objectives, and the outcomes achieved.

Objectives

The primary objectives of the workshop were as follows:

1. To introduce students to the latest advancements in the field of technology.
2. To enhance the participants' understanding of emerging technologies and their applications.
3. To encourage critical thinking and problem-solving in the context of new technologies.
4. To facilitate networking and interaction among the students and the guest speaker.

Workshop Highlights:

- Guest Speaker: Mr. V. Vidya Sagar, an industry expert in the field of emerging technologies, delivered a series of engaging and informative presentations.
- Interactive Sessions: The workshop featured interactive discussions, Q&A sessions, and group activities to encourage active participation and knowledge sharing.
- Practical Demonstrations: Students had the opportunity to witness live demonstrations of various technologies, further enhancing their understanding.
- Networking Opportunities: The workshop allowed students to connect with professionals and peers interested in the same field.

Outcomes:

The workshop on "New Technologies" yielded several positive outcomes:

1. Improved Awareness: Students gained a deeper insight into the latest developments in technology, which will be beneficial for their academic pursuits and future careers.
2. Enhanced Skillset: Participants developed a better understanding of the practical applications of technologies such as AI, IoT, and Blockchain.
3. Networking: The workshop encouraged interaction among students, fostering a sense of community and providing opportunities for collaboration.
4. Motivation: The engaging presentations and discussions inspired students to explore further studies and careers in the technology sector.

DATE 21.12.2022.

This is to inform that the Department of Chemistry is going to conduct Value added course from 02.01.2023 to 11.03.2023 for Second year students of B.Sc C.B.Z., on "House hold Chemicals" preparations. The students who are interested can enroll their names in the department of Chemistry on or before 27.12.2023. The duration of the course is 2 months (36 Hrs). The candidates who secure 40% of the marks in the examination will get the certificate.

"HOUSEHOLD CHEMICALS"

REPORT

As a part of academic activity, the Department of Chemistry conducted Value Added Course in 'House Hold Chemicals' from 02.01.2023 to 02.03.2023 for the academic year 2022-2023. The important objective of the course is to improve basic knowledge of preparation of **House Hold Chemicals** and their need in day to day life. It is very economic and useful to all.

The Chemistry faculty member has engaged classes for 36 hrs. At the end of the course, an external examination with multiple choice questions has conducted for the assessment of learners understanding levels of knowledge. The minimum qualifying mark for awarding the certificate is 40%. 30 students completed the course successfully and got certificates during the academic year 2022-2023.

VALUE ADDED COURSE
"HOUSE HOLD CHEMICALS"

Objective of the course : To make the students well acquainted with the knowledge of preparation of house hold chemicals and their need in day to day life. It is very economic and useful to every common man.

Course duration : 36 hrs

Level : UG

Course type : Scheduled

Certification: Certification will be given on the continuous comprehensive evaluation of students performance in the learning activities.

SYLLABUS OF THE COURSE

Contact Hrs: 36

UNIT I (9 Lectures)

Household chemicals: History of household Industry, Basic Theory of Household Chemicals, and Raw material required for household product, Product manufacture in household industry. Role of household product in day to day life.

UNIT II (9 Lectures)

Cleaning agents: Introduction, synthesis and applications of Natural cleaning agents, cleaning action, Floor cleaner, Toilet Cleaner, Bathroom Cleaner, Kitchen Cleaner

UNIT III (9 Lectures) Detergents and surfactants: Introduction; Different terms used in detergents; Raw materials for detergents; Washing action of detergents; Types of detergents; Introduction of surfactants; Types of surfactants.

UNIT IV (9 Lectures)

Detergents and surfactants:

Technology of Soap: Chemistry of soap; Raw material for soap industry and their selection; hard fats yielding and oil yielding soaps; Chemical reactions of soaps; Hard and Soft soaps; Plant and process employed in soap manufacture; Liquid hand wash and liquid dish wash.

Recommended Books: (Unit wise)

1. Small scale industries and house hold industries in developing economy by Shetty M.C. (Unit I)
2. Manufacture of perfume cosmetics and detergents by Prasad Giri Raj (Unit V)
3. Industrial chemistry by B.K.Sharma (Unit I and II)
4. Flavours & Essential oils, Industries SBP Board (Unit III)
5. Perfumes soaps & cosmetics by Poucher. (Unit III)
6. Manufacture of perfumes, cosmetics and detergents by Giriraj Prasad (Unit IV)
7. Manufacture of perfumes, cosmetics and detergents by Prasad. (Unit IV)

Learning Outcomes:

Unit I Household Chemicals

1. The students should learn fundamentals household chemicals.
2. The students should define house hold products, various processes of household products
3. The students should explain preparations and reactions of household chemicals, history of household products.

Unit II Cleaning agents

1. The students should learn fundamentals of various cleaning agents.
2. The students should define natural, floor, toilet, bathroom and kitchen cleaning agents
3. The students should explain preparations and reactions of natural, floor, toilet, bathroom and kitchen cleaning agents

Unit III Technology of Soap

1. The students should learn technology of soap
2. The students should define soap, hard and soft soap, liquid soap
3. The students should explain preparations and reactions of soap, liquid soap

Unit IV Detergents and surfactants

1. The students should learn fundamentals of detergents and surfactants
2. The students should define detergents, surfactants
3. The students should explain preparations and various types of detergents and surfactants

Practical Course: Preparation of various household Products

Contact Hrs...

1. Preparation of Washing Powder
2. Preparation of Homemade Soap
3. Preparation of Cleaning Powder
4. Preparation of Vaseline
5. Preparation of Pain Balm
6. Preparation of Phenyle

Project course: Project on Preparation of household Chemicals

(VALUE BASED PROGRAMME)**

OBJECTIVES

The aim of this Vermicompost is to introduce students to the

After completing this programme, students should be able to

1. To produce nutrient rich compost from the available waste.
2. Vermicomposting is an excellent method of recycling of home waste.
3. To improve soil fertility.
4. It is an essential to establish Vermicomposting units at Backyards and Farmyards.

Methodology:-

1. Programme is to be conducted for 30days.
2. Maximum strength for each programme 30.
3. Minimum strength for each programme 20.
4. Classes are to be conducted for 1 hour after college hours.
5. Grand test to be conducted at the end of the programme.
6. Everyday student is to be given one assignment.
7. On subsequent days feedback is to be obtained from each student on the performance after previous day.

SYNOPSIS:

निराला ने काव्य के प्रचलित व्यवस्था के विरुद्ध सशक्त आवाज उठायी।

उन्हें प्रगतिवादी आंदोलन के अग्रदूत कहा जाता है।

हिन्दी साहित्य में प्रगतिवाद 1935 के आसपास मार्क्सवादी दर्शन के आलोक में सामाजिक चेतना को लेकर चली।

निराला की कविताएँ प्रथम कोटि की प्रगतिशील रचनाएँ हैं।

रुढ़ि का विरोध : निराला ने अपनी संस्कृति का दम्भ भरनेवालों को ललकारा है।

शोषित वर्ग के प्रति उत्कट सहानुभूति : निराला की कविताओं में शोषित और दुःखीजनों के प्रति गहरी सहानुभूति है।

भिक्षुक , वह तोड़ती पत्थर तथा विधवा कविताएँ इस प्रवृत्ति के सुंदर उदाहरण हैं।

पूँजीपति के प्रति घृणा : उन्होंने कई कविताओं में वर्तमान सामाजिक शोषण का चित्रण करते हुए पूँजीपतियों को बार बार ललकारा है।

क्रांति का आह्वान : समाज के शोषण का अंत करने के लिए श्यामा से प्रलयकारी नृत्य का आह्वान करते हैं।

वेदना और निराशा : सामाजिक विषमताओं को देखकर निराला के मन में वेदना और निराशा भर जाते हैं।

साम्यवाद का गुणगान : समाज का समस्त अनर्थों का एक ही उपचार साम्यवाद मान रुस की लाल सेना की गीत गाता है।

Resolutions of the course English Language Teaching

Resolution 1: Enhance the use of technology in English Language Teaching

Whereas technology has revolutionized various aspects of our lives, including education, we resolve to enhance the use of technology in English Language Teaching. This includes integrating interactive digital tools, online resources, and multimedia platforms into the classroom to create a more engaging and effective learning environment.

Resolution 2: Promote culturally responsive pedagogy in English Language Teaching

Recognizing the diverse backgrounds and experiences of English language learners, we resolve to promote culturally responsive pedagogy in English Language Teaching. This involves incorporating cultural awareness, sensitivity, and appreciation into the teaching process to foster inclusive and supportive learning environments for all students.

Resolution 3: Foster collaborative learning strategies in English Language Teaching

Acknowledging the power of collaboration in enhancing language acquisition, we resolve to foster collaborative learning strategies in English Language Teaching. This includes encouraging group projects, peer-to-peer interactions, and cooperative learning activities to promote active participation, communication skills, and problem-solving abilities among students.

Resolution 4: Emphasize authentic language use in English Language Teaching

Recognizing the importance of real-world language application, we resolve to emphasize authentic language use in English Language Teaching. This involves providing opportunities for students to use English in meaningful contexts, such as debates, simulations, and community engagement projects, to enhance their fluency and communicative competence.

Resolution 5: Promote professional development for English Language Teaching instructors

Acknowledging the continuous evolution of pedagogical approaches and language teaching methodologies, we resolve to promote professional development opportunities for English Language Teaching instructors. This includes workshops, conferences, and online resources to support instructors in staying up-to-date with best practices and enhancing their teaching skills.

ICT CLASSES

2022-2023

REPORT

Date: 02-02-2023

Facilitator: Dr. B. Anuradha, Lecturer in English

On Feb 2, 2023, our school conducted a specialized Information and Communication Technology (ICT) class focusing on "Skill Development and Intrapersonal Skills." Dr. B. Anuradha, a highly regarded Lecturer in English, facilitated the class, bringing her expertise to provide students with valuable insights into these crucial aspects of personal and professional growth.

Objective:

The primary objective of the ICT class was to empower students with a deeper understanding of skill development and intrapersonal skills. Dr. Anuradha aimed to go beyond the academic curriculum, focusing on equipping students with practical life skills that are essential for success in various facets of life.

The class was structured into two main segments: Skill Development and Intrapersonal Skills.

Skill Development:

Dr. Anuradha commenced the session by emphasizing the importance of identifying and nurturing individual strengths. The class delved into effective communication skills, highlighting the significance of clear and concise expression. Practical exercises were incorporated to enhance problem-solving and critical thinking abilities. Time management and organizational skills were addressed, providing students with strategies to manage their academic and personal responsibilities effectively.

Intrapersonal Skills:

The Intrapersonal Skills session focused on the development of emotional intelligence and self-awareness. Dr. Anuradha guided students in building resilience and coping mechanisms, essential for navigating the challenges of academic and personal life. The importance of goal-setting and motivation was underscored, encouraging students to set realistic and achievable objectives. Stress management techniques were explored, equipping students with tools to maintain mental well-being.

నివేదిక

విద్యార్థినుల అభిరుచి మేరకు సంగీత శిక్షణా తరగతులు నిర్వహించడమైనది. తెలుగు ఉపన్యాసకురాలు శ్రీమతి కె.ఎస్.అన్నపూర్ణాదేవి కర్ణాటక సంగీతంలో డిప్లొమా చేసివుండుట వల్ల తరగతుల నిర్వహణ సులభమైనది.

విద్యార్థినులు సంగీతంలో ప్రాథమిక అంశములను, సంగీత పరికరాలను గురించి అవగాహన పెంచుకొనుటకు ఈ శిక్షణా తరగతులు ఉపయోగపడినవి.

శిక్షణాసంతరం నిర్వహించిన పరీక్షలో నిష్ణాతులైన విద్యార్థినులకు ప్రశంసా పత్రాలను అందించడమైనది. 40 రోజులపాటు నిర్వహించిన ఈ శిక్షణలో సంగీతం వల్ల అవగాహన పొందే అవకాశం విద్యార్థినులకు కలిగింది.
