

7.1.7 Divyangan Friendly Barrier Free Environment

S.K.R. GOVERNMENT DEGREE COLLEGE(WOMEN)
RAJAMAHENDRAVARAM(Estd.1968)

(Re-Accredited at B+ Grade by NAAC, Affiliated to Adikavi Nannayya University)

Divyangan Friendly Barrier Free Environment

The organisation worked to make college bathrooms more accessible for people with disabilities in order to create a more welcoming environment for all students. With the help of a team of staff members, the institution carried out an accessibility audit to pinpoint places that needed upgrading. They also examined the restrooms to identify the best fixes. All restrooms included ramps and handrails that were thoughtfully positioned to offer stability and support to children with mobility issues. In order to create a welcoming atmosphere for all students, universal design principles were employed to make sure that the inclusion of handrails and ramps matched the campus's aesthetics. Students were helped in finding accessible restrooms and routes by way of clear signage and awareness efforts. The decision-making process actively included collaboration with students and staff, highlighting areas that required improvement.
